Unit 2: Personal Narratives

CW 20 – Brainstorming #3

Bigger Picture: Personal narratives are a chance to get practice for high school and college entrance essays. They also help us reflect on our lives and what makes us who we are!

Assessment:

/10

The Golden Rule: In every story, there are people in a place. Characters react in response to a conflict. Time passes and things change.

Directions: Use this organizer to brainstorm ideas for your personal narrative.

Issues (ex: racism)	People (ex: Maria, my neighbor)	Moments (ex: She told me that all Mexicans grow up to be maids)
