Passage A

The best Italian restaurant in town is Luigi's Spaghetti Barn. They make delicious, fresh bread covered in mozzarella cheese and garlic. After dinner, everyone's breath smells like garlic, but nobody seems to care because the food is so good. Personally, I think their spaghetti is the best thing on the menu because the sauce is made with Luigi's own secret recipe. Sometimes we order the special, Luigi's Monster Party Pizza, and take it home to eat.

Passage B

John went camping and fishing with his dad last weekend. They slept in a Coleman tent and really warm sleeping bags. One night it poured rain, and they woke up soaking wet. John's dad hung the sleeping bags over tree branches so that they would dry before it was time for bed that night. Unfortunately, it rained all day and the sleeping bags didn't have a chance to dry out at all.
