Time Machine

If wint in a time
machin I wund go in to
slavrhe. Whey you acss?
because it is a portin to no
abot yer histre. Ocae heri go
Winh I got Ther I salh Peply
Piceing cottin and Then I solh
hareittomin. Thoth I wus
gremec and hes sand wat
brenge you her I sanb I trafld
her. Aand hes sanb camon
and hes gaferd

An Animal that Fascinates Me

A animal that
fascinates me is a dog. I like
dogs because they are cool,
playful, adorable, some nice
to all.

Dogs are cool. I think
dogs are cool. Dogs are one
of the coolest pets on the
earth. Dogs are very cool.

Dogs are very playful
animals I have two dogs and
they have alot of stuff to play
with you. I like dogs and they
are playful.

Scales, the Best Pet Ever

Scales, my pet
Iguana, just died. Late one
night he escaped from his
tank and fell to his death in
the fish bowl. How I enjoyed
watching him eat his dinner.
If I had the time (time was
not a problem) I would look
at his detailed features. One
the weekends we would play
games. Sometimes we would
even play mischievous tricks
on my parents.

Insert something.	
Insert a space.	
Insert a period.	
Spelling error.	
Take this out.	
Capitalize this letter.	
Make this letter lowercase.	

Check it out now:

Mahatma Gandhi spent many years of his his life in Jail. Whenever he heard his followers were acting violently, he stoped eating. his fasts, which were called “hunger strikes,” worked. His followers stopped using violence, England also made concessions because they knew how important Gandhi was to the people of india. In 1947, England granted Freedom to India

Take this out.	
Capitalize this letter.	
Make this letter lowercase.	

Edit this paragraph:

There are two two major types of telescopes The first type gathurs light from distant objects, and Magnifies the images formed by that light. This type is Called an *optical telescope*; *optical* means "light-gathering." The second typeof Telescope (called a *radio telescope*) collects radio waves from space These waves are invisible, but they can be converted into visible images. One famous radio telescope can be found in the montain ranges of peru.

Next: Write a complete sentence explaining why you used one of the editing marks that you used.

Conventions Classwork

Class Notes

Directions: Use the **editor's symbols** that we learned in class to edit the following paragraph for conventions.

When you're finished editing, give this piece of writing a grade from 1 to 5 for **conventions only**.

Early that morning Stan had woken up? Wind and rain hit the windoh across the room, and threw the crack in the ceiling that he had forgotten tofix, water dripped in, pooling on the floor. He pulled back his bed covers. The chillee air hit his bear chest and and arms. Sitting up he scowled. He already knew this would beanother horrible day. He climbed out of Bed, swearing as his feet touched the the ice cold floor boards. he stumbled over to his dressur and took out a pair of wool socks and pants. He pulled these on, along with a long-sleeved flannel shirts and the Jacket he'd flung carelessly on floor the day Before

I would give this piece of writing a _____ because _____
