"My Sentence Needs a Check"
Sung to the tune of "The Farmer in the Dell"

1. My sentence needs a check,
   My sentence needs a check,
   Hi-ho, the derry-o,
   My sentence needs a check.

2. Thumb taps the capital,
   Thumb taps the capital,
   Hi-ho, the derry-o,
   Thumb taps the capital.

3. Pinkie pats the period,
   Pinkie pats the period,
   Hi-ho, the derry-o,
   Pinkie pats the period.

4. My sentence now is fine,
   My sentence now is fine,
   Hi-ho, the derry-o,
   My sentence now is fine.
