

## Formal or Informal Questionnaire

What is the Purpose?	
Who is the first audience?	
Does this require formal or informal language?	
Did the speaker use formal or informal language?	
<p>Provide three specific examples the speaker used that demonstrate he/she knows whether or not to use formal or informal English.</p> <p>(Ex. The speaker chose to use words like “homies” or “dawgs” to refer to friend in his speech to show he was speaking informally to his friends.)</p>	
Who is the second audience?	
Does this require formal or informal language?	
Did the speaker use formal or informal language?	
<p>Provide three examples the speaker used that demonstrate he/she knows whether or not to use formal or informal English.</p> <p>(Ex. The speaker chose to use the phrase “my sister and I” instead of “me and my sister” to show that she was speaking grammatically correct in a formal setting.)</p>	
Overall assessment: Does the speaker seem to understand when to use formal and informal English? Make comments and/or suggestions to your group member.
