**Rules & Procedures**

**Directions:** Today we discussed the importance of rules in creating a fair and orderly classroom that holds EVERYONE accountable. This two-part assignment is meant to familiarize you with our class rules. You also have the opportunity to create your own rule that may be added to the class list. Complete each portion using complete sentences.

Part I: Below are our Five Rules you were introduced to today. On the lines beneath, I want you to give an example of something you can do to follow each rule.

Current Five Rules:

1. I will follow directions the first time they are given
2. I will come to class prepared EVERYDAY
3. I shall positively engage in class discussions and activities
4. I will S.L.A.N.T. at ALL times
5. We will ALWAYS support one another
