Adding Alliteration to Poetry

Below are two poems that are missing some words. Write words in the blank that will create an alliteration.

Sunrise

Actual student's answers will vary. Examples of correct answers:

As the shimmering sun rises

In the pale purple sky,

The little lark sings a solitary song.

A delightful day has begun.

Creepy Castle

In a dark and dreary dungeon

Gruesome ghosts float freely.

Scary spiders scurry silently

As the midnight moon shines down.
