

1.11: Solving Multi-Step Inequalities

Quickwrite (PostRead)

Objective

As a post-read: To organize ideas, increase comprehension, synthesize learning, demonstrate understanding of key concepts, and reinforce vocabulary using a Quickwrite.

Instruction

Have individuals respond to the questions by summarizing what they learned, making connections to their lives, explaining concepts, making predictions, or posing questions.

Activity

This is a *postread* activity. Answer the following questions after reading.

Questions: What do you have to keep in mind when solving a multistep inequality? How does the difficulty level compare to solving a multistep equation?

Student answer:
