

Absolute Value Equations

Discussion Questions

These sample discussion questions were submitted by students. They can be used as part of a class discussion, as an essay topic, or as a student project idea.

- How could you check your answer to an absolute value equation? What is your next step if you find that your solution doesn't work? – *submitted by Lianne Blodgett*
- How would you solve a problem with absolute values on both sides of the equation? – *submitted by Mark Holmstrom*
