

Geography of Africa

This assignment will help you understand the modern geography of the continent and better appreciate how groups are spread within and across modern national boundaries.

Instructions: Click on the links below to print “worksheets”* on Africa’s geography and then follow the instructions listed in the numbered checklist below. This assignment should take you 30 minutes to complete.

Map 1: [“Label Me”](#) (print several copies)

Map 2: [“Rivers Labeled”](#)

Map 3: [“Rivers Outline”](#)

- 1) Fill in Map 1; consult the “answer” link provided on the left of the site.
- 2) Fill in Map 3, using Map 2 as a guide.
- 3) On another copy of Map 1, mark groups and types of art at various sites we have looked at so far.
- 4) Add these to your course worksheet folder; continue to fill in groups we cover in different regions.
