

Ancient Egypt and Kush

Review

At the end of this unit, students will be able to:

- How did the Nile and other geographical features in the region help ancient Egyptian civilization flourish?
- What are the major religious symbols in Egyptian civilization? What were their purpose?
- What was the social structure in Egypt like?
- Why was the 25th dyasty so important for the Kush and Egyptian civilizations?
- How did religious beliefs shape Egyptian and Kushite cultures?
- How was trade and industry important in Kushite culture?
