

Early African Civilizations

Review

At the end of this unit, students will be able to:

- How did two of West Africa's valuable mineral resources relate affect early African history?
- How did the silent barter system work in Ghana?
- What led to the fall of the Ghana Empire?
- Can you identify the leaders Tunka Manin, Sundiata, Mansa Musa, Sunni Ali, and Askia the Great?
- What was the importance of oral history and *griots* in early African society?
- Can you compare and contrast the societies of Ghana, Mali, Songhai, and Zimbabwe empires?
