\_\_\_\_\_  
\_\_\_\_\_
4. What is the name of a scientist who studies man-made objects to learn about other people's culture? \_\_\_\_\_  
\_\_\_\_\_
5. What are these man-made objects called? \_\_\_\_\_  
\_\_\_\_\_

**(40 POINTS) 100 Open-Response:** What have you learned about the Age of Exploration? Criteria for success: Your essay should be able to answer these questions:

- € What is the Age of Exploration and when did happen?
- € What continent are the explorers from?
- € Where did the explorers want to go?
- € Why did they want to go there?
- € Instead of going to the place they wanted to go, where did they end up at?
- € When they arrived to this place, what did they name it?
- € What regions make up this place?

Remember, the more details you put, the better your grade will be.
